

Migration

```
graph BT; A["theblog.migrations.0010_auto_20201116_0959.Migration"] --> B["Migration"]
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text 'Migration'. The bottom box is gray with a black border and contains the text 'theblog.migrations.0010_auto_20201116_0959.Migration'. A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating a relationship or inheritance from the specific migration class to the base 'Migration' class.
